CALIFORNIA RESIDENTIAL CONTRACTS

Required Attachments and Compliance Checklist · Home Improvement (B&P Code §7159)

Owner: Jane Doe

Contract Date: 2026-07-07

Project Address: 123 Main St, Antioch, CA 94509

Contract #: C-001-01

Use this checklist to confirm the Home Improvement Contract contains every element required by California law and that all required documents are attached before the contract is signed and before work begins. Items marked **(2026)** reflect changes effective January 1, 2026 (SB 517 / AB 1327).

A. Required Contract Contents (B&P §7159)

- Contract is in writing, signed and dated by both Owner and Contractor, with a completely filled-in copy given to the Owner before any work begins.
- Contractor's name, business address, and CSLB license number.
- Section titled "Contract Price" stating the total price.
- Description of the project and significant materials/equipment.
- Down payment does not exceed the lesser of \$1,000 or 10% of the contract price, with the required down-payment notice.
- Schedule of progress payments describing each phase and amount.
- Approximate start date and approximate completion date.
- "Note About Extra Work and Change Orders" included.
- Mechanics Lien Warning included.
- Information about the CSLB included.
- Three-day Notice of Cancellation language, plus the separate Notice of Cancellation form provided in duplicate.
- CGL insurance disclosure (check one option).
- Workers' Compensation insurance disclosure (check one option).
- Arbitration of Disputes provision, if included, carries the required statutory notice and initial lines.

B. New for 2026 (SB 517 / AB 1327)

- (2026) Subcontractor disclosure checkbox present.
- (2026) If "Yes," the required subcontractor disclaimer is stated in the contract and on every change order.
- (2026) Statement that the prime (direct) contractor is responsible for completion in accordance with the contract, plans, and specifications.
- (2026) Contract states the contractor's name, address, and email address, plus a phone number to help the buyer complete the cancellation form.
- (2026) Notice of Cancellation allows cancellation by email, in addition to mail and fax.

C. Documents Attached and Incorporated

- Notice of Cancellation form (provided in duplicate).
- Home Improvement Change Order form.
- This "Required Attachments and Checklist" document.
- Plans, drawings, and specifications, if any.
- Lien release / waiver forms to be used at each progress payment (Civil Code §§8400, 8404).

This checklist is a compliance aid based on California Business and Professions Code §7159 and related law; it is not legal advice and does not list every one of the statute's requirements. The Contractor is responsible for reviewing the current statute in full and should have contract forms reviewed by a California construction attorney.
